FERPA Statement

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. In accordance with FERPA, it is the policy of UMBC and CCBC to withhold certain educational records unless the student provides consent to disclose information. The purpose of this form is to provide the consent to UMBC and CCBC required by FERPA.

I, the undersigned, hereby understand and authorize UMBC and CCBC to release/discuss educational records and information and agree to my student records being shared between UMBC and CCBC for the purposes of credit evaluation to award a degree, diploma or certificate, if I am eligible to graduate. I also understand that the awarding of an Associate's Degree beyond initial matriculation at UMBC does not alter the general education requirement status determined at initial admission to UMBC.

This release does not permit the disclosure of these records to any other persons or entities without my written consent or as permitted by law. This release form is effective from the date of signature below and consent remains in effect until receipt of written revocation.
